Nature, characteristics and purpose

These statistics are within the framework of the Tourist Accommodation Occupation Survey. The objectives are to update and expand on the information on the sector establishments according to the European Union directives.

Legislation **Obligatory statistics**

Statistical Confidentiality

Confidential data obtained by the statistical services both directly from respondents and from other sources shall be protected and covered by statistical confidentiality (art. 13.1 of the Law on the Public Statistical Function (LFEP)). All statistical personnel will have the obligation to preserve statistical confidentiality (art. 17.1 of the LFEP).

Obligation to provide data

Laws 4/1990 and 13/1996 establish the obligation to provide the data requested for the compilation of these statistics.

For the exercise of their functions, the statistical services will be empowered to collect data from all individuals and legal entities or any other entity resident in Spain or which, not being resident, carry out an economic activity in Spain (art. 10.2 of the LFEP).

All individuals and legal entities, as well as entities that provide data, whether their collaboration is mandatory or voluntary, must answer truthfully, accurately, completely and within the deadline to the questions duly ordered by the statistical services (art. 10.4 of the LFEP).

Failure to comply with the obligations established in this Law, in relation to statistics for state purposes, **will be sanctioned** in accordance with the provisions of the regulations contained in this Title (art. 48.1 of the LFEP).

Very serious infringements shall be sanctioned with fines of **3,005.07 to 30,050.61 euros**. Serious infringements will be sanctioned with fines of **300.52 to 3,005.06 euros**. Minor infringements shall be sanctioned with fines of **60.10 to 300.51 euros** (art. 51.1, 51.2 and 51.3 of the LFEP).
