

REGULATORY PROCEDURE WITH SCRUTINY

Message to the members of the Working Party on Statistics on the Draft Commission implementing measures – I/A Item notes.

Following our e-mails of 8 and 11 March 2010, delegations are informed that upon expiry of the deadline set for delegations' comments on the following documents:

- Draft Commission Regulation (EU) No .../..of [...] amending Regulation (EC) No 831/2002 concerning access to confidential data for scientific purposes as regards the available surveys and statistical data sources (doc. 7192/10);
- Draft Commission Decision of [...] amending Decision 2004/452/EC laying down a list of bodies whose researchers may access confidential data for scientific purposes (doc. 7319/10);

no opposition to the measures was notified neither to the Council Secretariat nor the Presidency. Therefore, both items have been inscribed on the agenda of next week's Coreper II as a "I/A" Item, with a view of a **formal adoption at a future Council meeting (22 April)** of its decision not to oppose that draft implementing measure.

Some delegations sent comments regarding translation of draft documents in their respective language - those were transmitted to the Commission.
