Number of participants by groups

# The STRATEG system

The **STRATEG** system is:

- a **further step** of the CSO Poland towards better communication channels,
- a **good example** of effective communication with various groups of data users,
- a **comprehensive tool** providing information on the programming and monitoring the development progress,
- a **tool** with visually attractive forms of data presentation

	Denmark	102.2	102.7	102.4	100.5	100.3	100.2

# Statistical guide

- Compilation of statistical indicators for non-statisticians
- Well-structured methodological information
  - definitions
  - data sources
  - computations
  - guidelines for data analysis and interpretation

[http://strateg.stat.gov.pl/slider/ns\\_2015\\_EN.pdf](http://strateg.stat.gov.pl/slider/ns_2015_EN.pdf)

# Statistical guide

S — main part (e.g. Society)

👤 thematic area (e.g. Population)

5 concept (e.g. Vital statistics of population)

5.1 indicator (e.g. Number of live births)

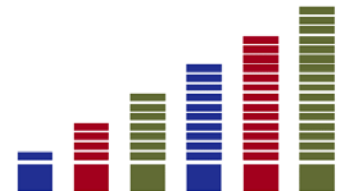

It covers 64 concepts and 129 indicators.

# Conclusions

- Recognition of unique role of official statistics in the knowledge-driven society
- Provision of accurate and reliable statistics
- Growing use of various communication channels
- Focus on statistical education
