Nature, characteristics and purpose

This survey is aimed at centres that provide services to homeless persons. Its purpose is to ascertain the general features of the functioning and organisation of centres, as well as of the services they provide.

Legislation

Compulsory statistics

Statistical Secrecy

The personal information obtained by the statistical services, both directly from the informants as well as from administrative sources, will be the object of protection and is covered by administrative sources (art. 13.1 of the Law on the Public Statistical Services of 9 May 1989 (LFEP)). All statistical personnel are obliged to preserve statistical secrecy (art. 17.1 of the LFEP).

Obligation to provide the items of data

Law 4/1990 establishes the **Obligation to provide the items of data** requested for the compilation of these Statistics.

Statistical services may request data from individuals and legal entities, both national and foreign, resident in Spain (Art. 10.1 of the LFEP).

All individuals and legal entities that provide data, regardless of whether their collaboration is compulsory or voluntary, must respond in a true, exact and comprehensive manner, within the stipulated deadline, to the questions outlined in due form by the statistical services (art. 10.2 of the LFEP).

Failure to comply with the obligations envisaged in this Law, as related to statistics for state purposes, shall be sanctioned in accordance with the terms established in the regulations contained in this Heading (art. 48.1 of the LFEP).

Very serious infringements shall be sanctioned with fines ranging from 3,005.07 to 30,050.61 euros. Serious infringements shall be sanctioned with fines ranging from 300.51 to 3,005.06 euros.
