Votes resident abroad will be able to check their registration details at consular offices on these same dates.

Voters may present claims on their registration data in the city councils, consulates or in the provincial delegations of the ECO, within the same period, from December 27 to January 3.

The INE Electronic Headquarters (<https://sede.ine.gob.es>) also provides a service to verify registration data in the electoral roll and to check polling station site and address, upon accreditation of voter identity with a recognised electronic certificate.

Application to vote by electors residing abroad

Electors residing abroad who wish to vote must apply to the ECO Provincial Delegation corresponding to their municipal registration until January 15th. The ECO will send the official application form to those with the right to vote.

Applications can be submitted online. To do so, you must identify yourself using the Cl@ve system or use the password sent with the official form. You can also find your password online at the INE's electronic headquarters.

The form is also available at consulates and on the web pages of the convening administrations, the Ministry of Foreign Affairs, European Union and Cooperation and the INE (<https://sede.ine.gob.es/votoCorreoCera?cierre=0000429>).

Requests to opt out of receiving electoral propaganda

Voters may request their exclusion from the copies of the electoral roll that are provided to the representatives of the candidacies for the sending of electoral propaganda. These exclusions are continuous and have permanent effect unless the voter expresses otherwise.

Those who make this request until January 3rd will not receive electoral propaganda from the political parties in the election campaign of these elections. Requests received later than January 3rd will take effect in the following elections.

The request for exclusion can be made online, via accreditation by the Cl@ve system, at the INE Electronic Headquarters (<https://sede.ine.gob.es/oposicionPartidos>) or in the town halls, consular offices and provincial delegations of the OCE.

Starting January 17th, the Electoral Census Office will send each elector residing in Castilla y León a roll card with information in the polling station and the polling place where they should vote.
